

## 2nd Annual Gala Sponsorship Opportunity

---

It is with great excitement that I would like to invite your organization to support the second annual gala for the Northwest Cancer Centers Foundation. The mission of the Northwest Cancer Centers Foundation is to enhance the quality of life for patients with cancer in Lake, Porter, and LaPorte Counties. With the support of generous sponsors like you, we provide thousands of meals each year to patients as they undergo their treatments, we offer financial assistance with utility bills, transportation costs, groceries, childcare, and elder care to patients in need, and are able to support other Oncology non-profit organizations serving the communities of Northwest Indiana.

The upcoming gala is not only a celebration of our patient's spirit, but also a vital fundraising event to ensure that we can continue to provide these essential services. Your sponsorship will make a significant difference in the lives of those we serve, and we would be honored to have your organization as a key supporter of this important event.

Enclosed with this letter, you will find a detailed sponsorship packet outlining multiple sponsorship levels. We encourage you to review the information and consider how you can contribute to our mission. If you are interested in sponsoring the gala, please complete the attached sponsorship form and return it as directed.

Thank you for your support and for considering this opportunity to make a lasting impact. Should you have any questions or require additional information, please do not hesitate to reach out to me directly.

We look forward to the possibility of partnering with you for this memorable event and supporting patients with cancer in our community.

Warmest regards,

Mike Ziegler  
Gala Committee
